

SPECIFICATION

- 1.The standard according to IEC61109.
- 2.Minimum nominal creepage distance 12600mm
- 3.Lightning Impulse Withstand voltage 1050kV.
- 4.1min.Wet Power Frequency Withstand voltage 395kV.
- 5.Specified mechanical load 100kN.
- 6.Dia. of the core 30mm
